

Family Supports Program

Recognizing the vital support families provide to people with developmental disabilities

The Family Supports Program is available to children and adults of all income levels eligible for Cuyahoga DD services living at home with a family member or on their own. (People who are enrolled on a Medicaid waiver, who live in an intermediate care facility/ICF or in foster care are not eligible.)

The Family Supports Program provides an annual allotment to purchase the items and services noted below (full year amount = \$750-\$1,500 per person). Starting in 2026, the maximum amount that can be used for leisure and recreation from the annual allotment is \$400.

To access the easy, one-page application, go to CuyahogaDD.org, scan the QR code below or call 216-736-2947.

If you are new to Cuyahoga DD or are uncertain about your eligibility status, please contact us at 216-736-2673 or Intake@CuyahogaDD.org. If you have a Support Administrator, contact him/her as you may be eligible for similar services.
