CUYAHOGA COUNTY
Board of Developmental Disabilities

Family Supports Program (FSP)
Camp Guidelines

- Cuyahoga DD FSP will deduct camp funds from your calendar-year FSP allotment.

- You are responsible for:
  - Registering your child for a camp that meets their needs.
  - Completing the online Camp Authorization Form. Scan the QR code below or visit https://www.cuyahogadd.org/services/family-supports-program.
  - Calling NEON if your child does not attend the camp you requested. If you cancel after the camp's cancellation deadline, FSP may still have to pay for the camp. We will deduct these camp fees from your annual allotment.

- After you receive approval for camp funding, we will send copies of the signed Camp Authorization Form to you and the camp.

- FSP defines "camp" as a structured program occurring over multiple consecutive days or on a recurring weekly schedule.

- FSP does not cover single-day camps, activities, summer experiences, and other non-camp programs as camp.

- All camp attendance requires prior FSP approval.

- Students with DD may qualify for camp funding through their school district. Some students with IEPs already qualify for Extended School Year camp funding. If your child qualifies, we expect you to use those funds first. Then, you can request any additional camp funds from your FSP allotment.

- FSP awards camp funds on a first-come, first-served basis.

- You may not use FSP funds to pay for camp registration fees, before and after care, or transportation.
