FREQUENTLY ASKED QUESTIONS

What is the RAD?

The Registry for Artists with Disabilities (or RAD) is a contact list of artists with disabilities who want to get an email newsletter once a month from Cuyahoga DD with opportunities for artists. These opportunities will be from different organizations in the county and also from Cuyahoga DD.

How do I join?

Joining is easy! All you need to do is complete the form at this link and you will be added to the list.

Do I have to pay to be a RAD Artist?

No way. The RAD is free for everyone.

I don't know if I'm an Artist. Should I sign up?

Creative people and artists of all skill and career levels are welcome to join the RAD! You can sign up even if you don't consider yourself a professional artist.

What will be emailed to me?

Every month you'll get an email from Cuyahoga DD with several artist-related programs that you can learn more about, apply for or participate in. You can expect:

- Open applications for gallery exhibitions or performances. These are often called "Calls for Artists"
- Open auditions for music, theatre or dance
- Community or public art projects
- Artist training and workshops
- Applications for grant or funding programs

Cuyahoga DD may also invite or hire RAD artists for Cuyahoga DD creative projects or contact you if someone wants to buy art or hire an artist with a disability.

Will the artist opportunities be accessible?

Yes! Not all opportunities will be specifically for artists with disabilities but anything you get will be checked for accessibility.

What will you do with my information when I sign up?

We keep it safe. Your information will never be shared outside of Cuyahoga DD without your permission.

Will I be able to contact other RAD Artists?

Cuyahoga DD won't share artist personal contact info with all RAD artists, but we have other ways you can connect with other artists as the list grows.

Can I stop getting RAD emails if I don't want them anymore?

Yes, absolutely. You can contact Meg Matko anytime if you want to stop getting RAD emails.
